HERITAGE THERMAL SERVICES ENVIRONMENTAL GRANTS 2020

Environmental Grants

Heritage Thermal Services is pleased to offer environmental grants again for this year. We will award grants to deserving nonprofit groups and schools, <u>ranging from \$100 to \$1000 for a total of \$6,500</u>.

Eligible projects are those that directly benefit the environment of the tri-state area. Recent winners include recycling and cleanup projects, creating a wildlife habitat and purchasing materials for environmental education. Schools and nonprofit organizations within a radius of 15 miles of the facility are eligible to apply.

If you have a question or need more information, contact Raymond Wayne at 330.386.2194.

All applications must be received by March 31, 2020. Grants will be awarded on April 25 during the annual citySweep collection of household hazardous wastes for East Liverpool area residents.

Please describe your proposed project below. You may include additional information, such as photos and maps, if necessary. Only nonprofit and school groups are eligible to apply. Send your completed application to: Heritage Thermal Services, 1250 St. George St., East Liverpool, Ohio 43920. ATTN: Environmental Grant. You may also fax it to 330.385.7813. Or email to rwayne@heritage-thermal.com.
